INTRODUCTION

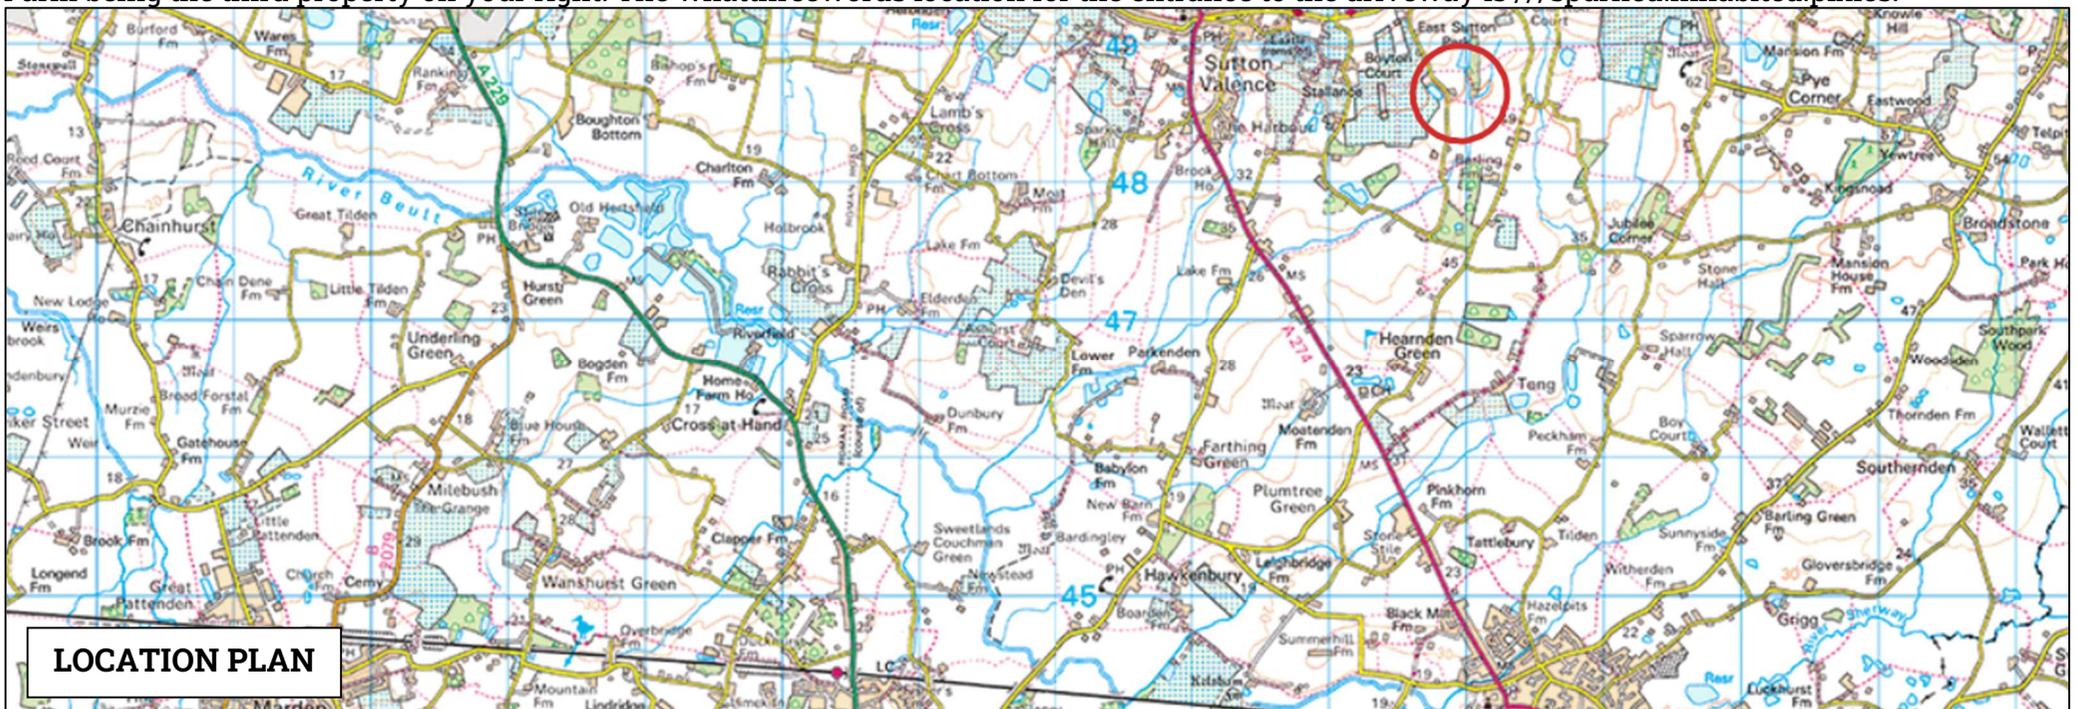

Hecton Farm was comprehensively restored from the ground up by the pre-eminent restoration specialist Anthony Hicks, in collaboration with English Heritage in 2003. The current owners purchased the property just over 4 years ago and have sympathetically modernised, updated and developed to create a high specification equestrian unit within a ring fence. The facilities are second to none with the vendors sparing no expense in the development expansion. The property is fronted by Friday Street to the west which is a quiet country lane suitable for horse riding and hacking along with various bridleways and TROT rides all the way to Ulcombe to the east. There is potential for further development of the buildings to the north of the house which will provide an incomer with the opportunity for holiday lets or alike subject to the necessary planning consents.

LOCATION

East Sutton is a tranquil rural village in Kent, situated approximately 6 miles southeast of Maidstone. The village is characterised by its scattered farms and cottages across a rolling rural landscape, offering a peaceful and picturesque setting. The location offers a range of walking trails and scenic routes, making it an ideal location for outdoor enthusiasts. Hecton Farm is within 1 mile of The Ridge Golf Club and only 2 from the Weald of Kent Golf Course. The village of Sutton Valence is within walking distance with both The Kings Head and The Queens Head providing sociable eating and drinking opportunities. East Suttons proximity to Maidstone provides access to a wider range of amenities and services, while still maintaining its rural charm. Maidstone and Ashford are able to provide a more comprehensive range of facilities, schooling options and leisure activities. Sutton Valence School both senior and prep are with 2 miles of the property adding to its fantastic location.

DIRECTIONS

From the centre of Maidstone head south of the A229 towards Sutton Valence, at the roundabout take the second exit to stay on A229 and continue on for 3.5 miles until turning left onto East Sutton Road. Follow along for a mile, through the village before turning right onto Friday street, with Hecton Farm being the third property on your right. The whatthreewords location for the entrance to the driveway is [///spurned.inhabited.pixies](http://spurned.inhabited.pixies).
