Join our growing team

BTF Partnership is a progressive firm of rural and commercial Chartered Surveyors and Land Agents with 3 offices situated in Kent and Sussex. We provide a full range of professional services to a diverse client base. In addition, we have a thriving Agency business, specialising in commercial property, land, farms and country estates and a dedicated Estate Management team acting for some of the largest privately owned Estates in the area.

Owing to the extreme variation of land use in the South East we are able to offer rich and varied experience in all aspects of surveying. Whilst traditional services such as valuation, planning, development and landlord and tenant advice feature heavily in our workloads, we also specialise in more niche areas such as large infrastructure compulsory purchase work through to the establishment of vineyards and all services relevant to the increasingly prevalent viticulture industry.

We have an excellent first-time success rate in preparing candidates for both the APC and CAAV exams, with an ex APC assessor and CAAV examiner heavily involved in our training programme. Trainees enjoy a high level of responsibility and given our collaborative approach, are made to feel a valued part of the team.

We also like to have fun and are as competitive on the sports field as we are in the marketplace. We host various social activities and team building trips throughout the year including a charity clay shoot, ski trip, quiz nights, cricket and rounders matches, curry nights and farm walks.

**“I am absolutely delighted to be promoted to Director having joined the firm as a Graduate Trainee eight years ago. BTF has provided a fantastic opportunity for me to progress my career and has supported me every step of the way.” Alex Cornwallis**

- Employment & HR Advice
- Grants & Subsidies
- Landlord & Tenant
- Planning
- Property & Estate Management
- Telecommunications & Renewables
- Valuations
- Viticulture

“I’m very pleased to have qualified as a Chartered Surveyor with BTF. The rural sector in the South East provides a diverse range of clients with a variety of different needs, meaning no day is ever the same. Most of our clients now operate fully diversified farming businesses which means an increased breadth of advice is required and makes the role of a rural surveyor more challenging than ever” **Harry Kenton**

## Opportunity

We are currently advertising to recruit two Graduate Surveyors and two Placement Students to start work in summer 2020.

### Applicants should have:

- A good practical knowledge of agriculture and rural property management
- Completed or be studying a RICS accredited degree
- Strong IT skills, including Excel, Word and PowerPoint
- Excellent communication and organisational skills
- An ability to work under pressure and to tight deadlines, with keen attention to detail.

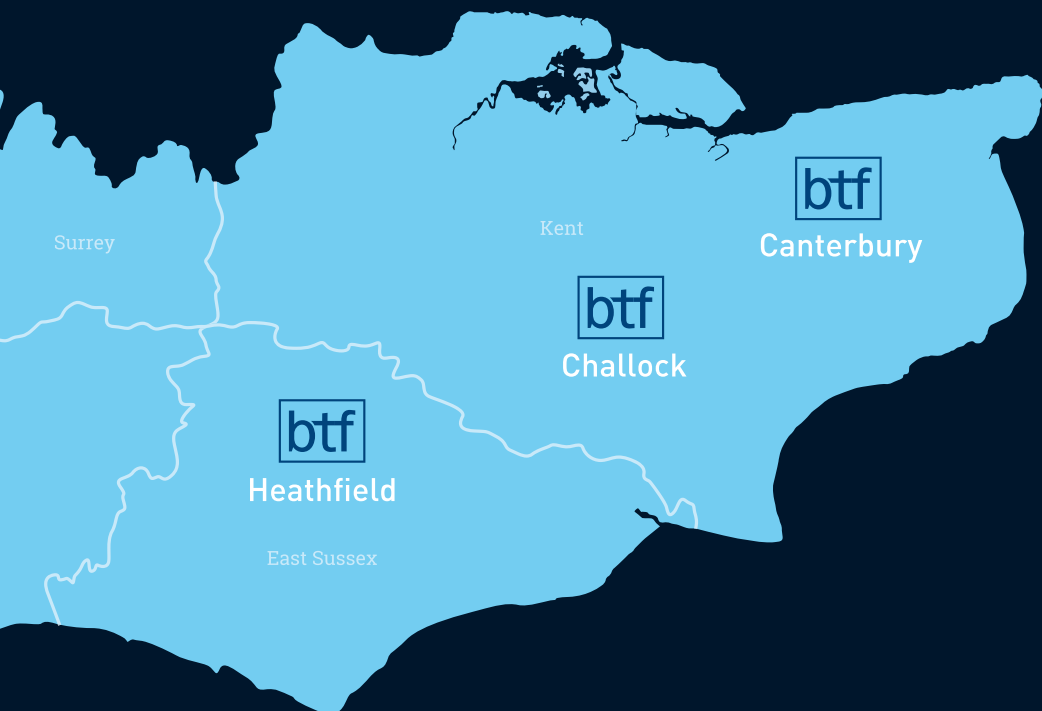

Successful candidates will enjoy immediate face to face client contact and undertake a diverse and interesting range of professional, valuation, agency, planning, landlord and tenant and rural property management work.

We have a strong track record in training Graduate Surveyors to Director level and can offer high quality experience, with excellent potential for career progression within a highly successful team.

Starting salary would be appropriate to the level of experience and qualification of the successful candidates, with an annual programmed salary review plus benefits.

### To apply:

For either the role of a Graduate Surveyor or Placement Student please email your CV and a covering letter to Claire Houchin at [claire.houchin@btfpartnership.co.uk](mailto:claire.houchin@btfpartnership.co.uk) stating your preference to be based in either the Heathfield (Sussex) or Challock (Kent) office.
