DESCRIPTION

The Barn for conversion (part of).

Planning permission was granted at appeal in July 2020 for "change of use from redundant farm building to create one single-storey, split level residence ". The permission allows for the conversion of the seven north-eastern bays (approximately 3,645 sq. ft.) of the existing timber-frame barn to create a four-bedroom dwelling.

Part of the property falls within Flood Zones 2 and 3, and allowances were made for this within the approved drawings and design for the barn conversion.

In July 2023 Wealden District Council approved conditions 3,4,6,7,8 and 9 attached to WD/2017/1171/F. Building Control also confirmed that "a material commencement for the conversion" had taken place.

Unconverted Barn Space

The remaining section of the barn (approximately 3,229 sq. ft.) comprises a further seven open-fronted bays and a fully enclosed workshop with storage area above.

In addition to the above, the property also benefits from the eastern section of a steel-framed agricultural barn (approximately 4,196 sq. ft), which includes a fully enclosed storage shed within it.

Please note: The western section of the barn is within third party ownership.

THE LAND

The agricultural land comprises a single pasture field (approximately 10 acres) with a tributary of the River Uck running the southern boundary.

ACCESS

Access is via a shared farm drive within third party ownership.

DIRECTIONS

From our Heathfield office drive in a westerly direction on the A265 continuing onto the A267 towards Tunbridge Wells. Having passed through the hamlets of Cross in Hand and Five Ashes turn left after approximately 600 yards (next to the bus shelter) to Skippers Hill. Continue along Skippers Hill for a short distance and turn right at the small crossroads to Stonehurst Lane. Continue for approximately 1.3 miles and the farm drive leading to the land and buildings at Huggetts Farm will be found on the right-hand side, just after the turning for Dewlands Hill. Continue along the farm drive for approximately 550 metres and the entrance to the property will be found on the right-hand side, just after the bridge.
