

## **FOR SALE BY PRIVATE TREATY**

### **THE RURAL PROPERTY KNOWN AS “HOSPITAL BARN FARM”**

**HEATH ROAD, EAST FARLEIGH, MAIDSTONE, KENT, ME15 0LS**

A private and discreet farmyard, sheltered by established woodland, with adjoining paddocks, traditionally used for equestrian purposes

Approximately 18.94 acres

Approximately 4,150 sq. ft. of buildings

**Guide Price: £325,000**

## LOCATION

The property is situated on the Heath Road (B2163), a short distance to the west of Coxheath and approximately 3 miles from Maidstone town centre, with all main services and road and rail communications.

## DESCRIPTION

Historically, the land was used for fruit growing and when this use ceased after the 1987 storm, the vendor planted approximately 14 acres of woodland with mixed deciduous species including Oak, Ash and Cherry, under the Farm Woodland Premium Scheme.

## THE FARMYARD

This comprises the following buildings: -

### THE PACKING SHED – 1,350 sq ft.

A prefab building with a concrete floor which was originally used for packing fruit. The building has been re-roofed in profile steel cladding. The building is now used for general farm use, workshop and tack room.

### FORMER COLD STORE & POLE BARN – 860 sq ft.

This building incorporates a stable and the adjoining steel frame barn is used for hay storage.

### STORAGE BUILDING & STABLES – 1,945 sq ft.

A fully enclosed building with a steel frame and clad in fibre cement. On the north side there are 4 loose boxes and a tack room.

The yard area extends to approximately 0.90 acres and has both mains electricity and mains water connected. Both require separate metering.

## PADDOCKS

There are three fenced paddocks to the south and west of the yard which traditionally have been used for horse grazing. The paddocks extend to about 4 acres in total.

## WOODLANDS

The woodland area was planted in the late 80's and is located either side of the access track leading to the farmyard with frontage to Heath Road. There were planting and maintenance grant monies available for the first 15 years of the scheme, but that income has ceased.

The woodlands must be maintained by the purchaser in accordance with good forestry practice and ensure that the land is not returned to agricultural use for 30 years after planting.

## TENURE & HOLDOVER

The property is sold freehold and will have vacant possession on completion.

## ACCESS

The property has a gated access to Heath Road with a hard track leading to the farmyard area.

## METHOD OF SALE

The property is offered for sale by private treaty.
