INTRODUCTION

Sharps Cottage occupies a private position down a country lane in the heart of the Kentish Weald. The property has been in the same family ownership for well over 50 years and has been modernised, developed, and cherished during the Vendor's ownership. It is now time for a new owner to enjoy the property's location, potential accessibility and security over the years to come.

LOCATION

Located just two miles to the north of the village of Marden the property has easy access to Marden, Staplehurst and Paddock Wood, all with mainline rail services into London in under an hour. Marden is able to offer a sense of rural living whilst being well connected to all transport links, both rail and road, making the village a popular settlement for commuters wanting a quieter home life. The property sits between Maidstone, Ashford and Royal Tunbridge Wells which are all able to provide comprehensive ranges of facilities along with highly regarded schooling options. Please see the Location Plan below for the exact location of the property in relation to the surrounding towns and villages.

DIRECTIONS

From Marden Rail Station head east on the High Street, turning left just after Unicorn Public House onto the Maidstone Road. Continue for 1 mile until before turning right onto St Annes Green Road, after 150 metres the Sharps Cottage entrance will be on your right.

AGRICULTURAL BUILDINGS

There are two agricultural buildings situated to the south east of the residential elements of the property, benefiting from their own access and allowing them to be completely separated away from the rest of the holding. An overview of the buildings is as follows: -

Agricultural Barn 1 – An open fronted timber frame barn, clad in steel box profile sheeting under a steel box profile sheet roof with a dirt floor, open fronted. Currently used for storage. Shown above.

Agricultural Barn 2 – A steel portal frame building clad in steel box profile sheeting under a steel box profile sheet roof with roof lights, a concrete floor and roller shutter door, currently used to store agricultural machinery.

Both buildings have potential for conversion into residential or commercial premises subject to undertaking of the necessary due diligence.
